

The path of a woman,
So long, hard and steep,
Is marked along the way,
By the people she meets.

The lives she has touched
Are the jewels in her crown.
Countless love, losses and tears
Have guaranteed her a throne.

A mother, sister, wife and friend.
Each one a special bond.
She spread joy wherever she went,
Though her own journey was long.

She will be missed by those
Who knew her loving heart,
But life takes its toll.
She was ready to depart.

An answer to a prayer.
A bittersweet release,
Brings this woman home at last
Where she is finally at peace.
